2.36.100 – Communications

The St. Charles Emergency Management Agency shall ascertain what means exist for rapid and efficient communications in times of disaster emergencies. The agency shall consider the desirability of supplementing these communications resources or of integrating them into a comprehensive system or network. In studying the character and feasibility of any system or its several parts, the agency shall evaluate the possibility of multipurpose use thereof for general municipal and local governmental purposes. The agency shall make recommendations to the Mayor as appropriate.
